

TUITION FEE PATTERN

This illustrated Tuition Fees (e.g., Business Management courses) are payable by the local students at QCL-ISC Campus. Fees are variable depend on pathway progression route programmes (e.g., Information Technology course fees are higher than business courses) or qualification providers (e.g., Awarding Bodies).

Fees Comparison:

The standard Tuition Fees in the UK Universities are starting from £15,000 per year for Bachelors or Masters programmes (oncampus or even Online study mood), whereas our QCL-ISC local campus fees are almost one third or half lower fee than the UK Universities Tuition Fees.
